

KELOX_{FB}

?KELOX-PROTEC quick-push coupling

73175B00

Areas of application

?Quick-push coupling, made of non-porous metal-plated brass, fits FB manifolds KMP590E, KMP590D and KMP590M, incl. support sleeves, O-rings, withdrawal barriers and a protector ring as an insertion locking device

Approvals:

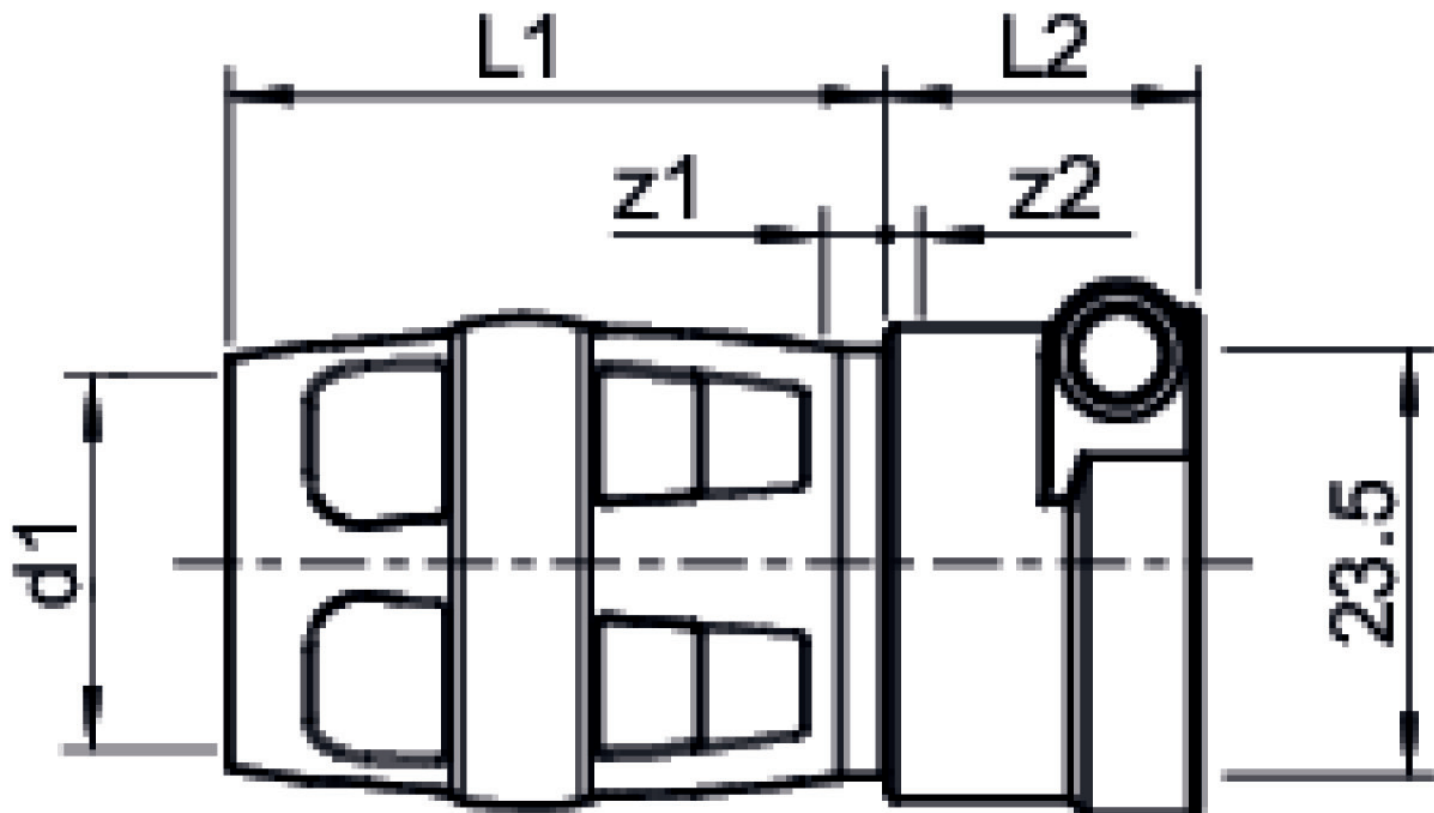

Specifications

Article information	
port 1	Plug-in
port 2	Bayonet
execution	1-part
design	Straight

Technical properties	
insertion depth 1 (es1)	32.5
maximum working pressure at 20 ° C	10
PN	PN 10

Product information	
text	?KELOX-PROTEC quick-push coupling
